## Maroon 6 Go Platinum!

The U8 team **Maroon 6**, coached by **Carlos Superman Gonzalez** have scored 27 goals in recent weeks and last week, despite being 7 goals down at the half, came back to score 10 in the second to win an absolute barnburner 10-8. **Noah Frenchie Langelier** tops the goal scoring charts, with a left foot rapier that does about everything, including chops, slices and dices the ball en route to consistently putting it into the back of the net. **Will Curly Billups** is the fleet-footed speed merchant, whose characteristic forays upfield leave the opponents spellbound and trailing in his wake, as he too has been finding the net on a regular basis. **Megan Caudill** is the team's work horse as her industry the week before lead to her scoring her first goal of the season as she gives it her all every week on behalf of the team. All six players have scored and **Nathan Pless** notched five goals in the last two weeks alone, including 4 the preceding week. Nathan is the youngest player, but he's definitely one to watch for the future. **Azyiah Haynes** scored a delightful equalizing goal last week, to make the score 8-8, as she deftly slotted the ball in the goal, with the dexterity of a master golfer on top of their putting game. **Dalton Mr. Happy Ratcliff** rounds out this formative group and it is his unbridled joy when he steps out at the Chain of Lakes, which gives credence to why we're all here. His smiling face and obvious delight at being an integral member of **Maroon 6** is the reason why coaches coach. These six tigerish tykes attend every practice with smiles on their faces, dress in their gladiatorial armor every Saturday morning and when they come to the club, they come to play. As in the immortal words of **James Earl Jones as Terence Mann** in the famous baseball movie *Field of Dreams ... If you build it, they will come ...* similarly, in soccer ... *if you make it fun, then they will come ...* and these magnificent six have been coming to play, rain or shine, all season long.

## Highlights Continued

### HORNETS AND YELLOW JACKETS COLLIDE

When the smoke and devastation to the field cleared the **U8 Yellow Jackets** came out on top with a 5-4 win. The Jackets came out early with **Austin Thommes** scoring 2 goals and saving 2 shots on goal, **Hunter Gilmore** scoring a breakaway goal and the best defense of the season, **Ashton Conti** scored 1 goal, and **Shaniya Fluellen** had a breakaway goal also. **Ashlyn Henderson** took a hard ball to the face, turned and smiled at the Hornets. I think it scared them, it scared me I know that. She's the toughest girl on the face of the planet. The **U8 Hornets** came on strong in the last quarter and gave the Jackets a scare. **Kameron Jorgenson** scored a Hat Trick with 2 goals coming in the fourth quarter. **Brandon Board** scored 1 goal and 1 save on goal. **Kaya Arnold**, **Denne Lichtenberg**, **Hailie Renninger** and **Caleb Edwards** kept it close with great defense. WOW what a game. Great job to all my players. I thought I was watching World Cup, should have sold tickets. Coach Joe Thommes coaches both the Yellow Jackets and the Hornets.

### Great Teamwork Wildcats!

**Ashlee Michaud**, **Bailey Gilmore** and **John Hernandez** each stopped everything that came their way at the goalie position and hustled all over the field in their other positions. **Nikki Zubowicz**, **Emma Hearon** and **Zachary Hill** attacked the ball on offense and defense. The Wildcats held their opponent to only one goal and that takes an entire team effort.
