## Week 7 Highlights

### Keep An Eye Out for the Blue Eagles!

Coaches Brianna Lumpkin and Katie Caldwell's U8 team, **Blue Eagles**, won their first game of the season on Saturday. Team members are **Gracie Dean, Logan Guppenberger, Jenna Koller, and Mya Morgan**. They played an excellent game with no subs. Goals were made by **Jenna Koller, and Logan Guppenberger**, but every girl worked very hard. We are very proud of how good they have become and how great they worked together as a team.

Coach Heidi Thamert reports that **Molly Turnbach** from the U10 Blue Angels had a Hat-trick! Way to go!

Coach Shanee Cowland reports that **Alex Newell** scored a Hat-trick plus 2 and **Noelle Lancer** also scored a Hat-trick. Welcome back to **Alexus Campbell** after recovering from a fractured wrist. **Alexus** scored 2 goals during the game.

Coach David Elisea wanted to let you know about 3 of our **U5** players that had 'hat-tricks' at this past Saturday's game. Technically we don't 'keep score' for this age group, but I do think it should be mentioned that our team has made HUGE improvements over the course of the Spring season. . Our players went from being scared of the ball to running right up on the other players with no fear at all. We've had one star player from the beginning of the season, Mr. **Dylan White**, age 5, but over the last couple of weeks **Hailey Williams** has really stepped it up a notch, to the point where Dylan and Hailey were actually fighting over the ball to make the goal. At this past Saturday's game **Hailey Williams** made 10 goals, **Dylan White** made 6 goals, **Shaiel Jones** made 3 goals and **Caleb Edwards** made 1, and **Alivia Mackey** made 1. **Cole Elisea**, our son, who has been very timid the entire season, finally came out of his shell and went for the ball a lot more these past couple of weeks as well. I should mention that we've never really come up with a name for our team, but a pretty appropriate one would probably be **The Cookies**, since we've noticed a drastic improvement in all of the players once we started promising them a cookie for a every goal they get...LOL. With this age group, it turns out that maybe you just have to give them a little motivation to get them moving!!

Red Rockets team coach, William Gonzalez reports that he had a player in our team, **Jamie Queen**, who scored a Hat-trick last Saturday April 18. She is our most improvement player. Merrick Rudolph had scored well (2 goals) also.

**Coaches and Team Parents thank you for sending in all your Team news to the Striker this season. Look forward to hearing from you in the Fall. Enjoy your Summer!!**

## U14 Tritons Win Final Game

Last weekend was a beautiful day for a game of soccer out at the Chain of Lakes. TSC's U14 Co-ed Comp team The Tritons played an excellent game against a tough Indian River County Soccer team. Outside mid Josh Hulbert fought hard & found himself in all the right places to score a hat trick to win the game 3-0. It was a great team effort from all the players from the goalie & defense to the mid field & forwards. The Tritons are Ballard Beasley, Aubrey Diesch, Adam Lee, Kevin Keegan, Alex Mac-Michael, Cody Buckingham, Joel Thamert, Daniel Samani, Yanni Vrotsos, Dodge Harris, PJ Spann, Will Thompson, Nick Stover, Josh Putman, Zack Unrue, Jared Hagerty & Josh Hulbert. Coached by Demetri Vrotsos, Jeff Thamert .

### Higginbotham Teaches Fair Play

Coach Higginbotham focuses on teaching the girls to play as a team and it seems they have really come together over the past weeks there out on the field. They all celebrate each other when making good plays and encourage one another when not so good; but best of all they are having a lot of fun. It has been exciting to see them demonstrate their newly learned skills out on the field and gel as a team. There have been quite a few hat tricks earned by a couple of the more experienced players – Christina and Eliana. In addition, the excitement on the faces of the new players when they made their first goal has been priceless. Playing for the Lucky Charms are the Higginbotham twins, Caitie and Haley, Fiona Chalmers, Christina Stokes, Hannah Noles, Eliana Murray, Madison Polk, and Catherine McEachern

**Fund Raiser Winners** were: Highest Individual Sales was Logan Facemyer. \$30.00 cash prize.

**Team Sales** go to: E51 Jennifer Bridges, \$20.00 towards a team party.

## SOCCER TRIVIA QUESTION

**Last week's question:** What is it called when a kick is awarded to a player for a serious foul committed by the opposition? Answer: **A Direct free kick** is awarded for fouls committed by the opposition. The correct answer was sent in by **Molly Turnbach and Laura Knott. Collect your prize at the Concession stand.**

I would like to Thank everyone that played Trivia this season and hopefully I will hear from you in the Fall Season.
