All Competitive coaches and two Assistant coaches and one team parent will be able to vote also. **You must have completed a Risk Management form and show your pass as identification in order to vote.**

The following positions will be voted on:

Registrar: Don Baxter and Stephanie Jenkins
Secretary: Lynnette Hagerty and Carrie Jones
Comp Director: Erik Didden and Chuck Beitel

GOOD SPORTSMANSHIP AND FUN, FUN, FUN!

We're into our eighth weekend and we've already witnessed some extraordinary soccer with goals galore! The children are learning and having fun but let's not forget why we're here? At TSC we cater to all levels of abilities from Recreational, to Competition, to State Cup and have a plethora of high school talent that has graduated through our ranks. At all levels we need to show our support and good sportsmanship and it's our responsibility to provide a healthy environment and an atmosphere that is conducive to the growth of our children. Every coach, parent, sibling and spectator has an obligation to be supportive and to jettison any negativity. The greatest pressure a player feels is generally from their parents and we need to show our love and encouragement by cheering them on rather than berating their shortcomings or mistakes. Let's ensure we do everything possible to make it a fun experience for everyone. The game of soccer is universal, but let's not forget it's a game after all.

HIGHLIGHTS WEEK 6

The **U8 Silver Sharks**, coached by Robb Jones, have proven themselves to be a tough team to beat. Hat Tricks + are a common occurrence with all Sharks lending a foot in to the team's success. Defense is often anchored by **Jake** who has a kick that can easily cross the field. **Malachi & Brett** are a high scoring dynamic duo, both packing some serious soccer skills. **Brett** (pictured) is best known for his fierce tackles and accuracy from a distance. **Malachi** is a break-away player with a good read of options available on the field. **Max** has been an up and coming player on the team, working hard to get an open shot on goal. Girl power is in full force with **Holly, Anna Jo, & Valerie**. **Holly** can be found dropping back to be a rock in strong defense with her powerful kick. **Anna Jo** is great team player, sneaking in for the steals and passing off to open teammates. **Valerie** can often be found up near the goal receiving the assists and sending them home into the net.

Coaches and Team parents thank you for sending in your photos and team news. Keep it coming.

If you see your name in the Striker with "You are a Winner" beside it make sure to come to the Concession Stand to collect your prize.

The Forgotten Tribe

Most people don't know that TSC has two U19 Co-ed Recreational teams. They have actually had a fun season even though they have to play each other every game. They play late in the day after all the other games and sometimes at night. The teams are made up of kids that want to stay in shape for high school or just enjoy the game and want to come out and play. Our club tries to offer all players a chance to play and many of kids have played for our club since they were young. The games have been fun to watch with many goals scored overall! The south team is coached by Tony Barretta and Will Marple. The north team is coached by Mike Witcher and Kate Marple. So remember next season during registration and you have an older child that we have a team for them too.

Attention Parents: We are in the eighth week of soccer and a lot of kids are not showing up for Academy practice or their coaches practice. They are not showing up for their scheduled game either. When players do not show this makes it hard on the few players that are there. The coach is volunteering their time and this hurts the entire team when players don't bother to show up. Please make an effort to have your child at practice and the game. The team will not improve if you do not participate. If for some reason your child is ill or something has come up notify the coach with a phone call.

SOCCER TRIVIA QUESTION

Last week's question: What is the basic skill of advancing the ball with the feet while controlling it, known as? The correct answer was 'dribbling'. Congratulations to **Logan Day** and **Cat Garcia**. Collect your prize at the Concession stand.

This week's question: What do you call a game that ends in a tie?

Be the first to send in your answer by Sunday evening to: debdi-esch@cfl.rr.com and win a prize from the Concession Stand.
