Assistant Coach/Team parent: _____ Phone: _____ cell _____

Child name: _____

Practice Location: As a Coach, it is your responsibility to find a practice location.

Don't know yet Location for my practice: _____

Coaches Meeting:

The Coaches' meeting is very important to attend. Your team roster and other important information are distributed at this meeting. We try to have the meeting as early as possible so that you will be able to have more practices before the season starts. Game schedules are usually handed out at the Team Parent meeting along with uniforms. Team parent meeting is usually a week after the Coaches Meeting.

****Mandatory Club Training Sessions****

All approved coaches are required by TSC to attend weekly training sessions with their teams at the Chain of Lakes Facility. Training sessions will be hosted by the Director of Coaching, on designated evenings, depending on player's age. In addition, private team training sessions may also be scheduled with the DOC. If the head coach is unable to attend the designated session, it becomes the responsibility of that coach to find a replacement to attend that evenings training program with the team.

Final Note:

A Coach is a volunteer position. We need coaches that will provide an environment where all children may prosper (your players and others). A Coach leads by setting a good example, all players notice and benefit from the experience. You have the opportunity to be a positive role model for a large number of children. We appreciate your time and energy spent to provide this for our children.
